The Kentucky Transportation Cabinet has scheduled a public information meeting to discuss the proposed WIDENING of KY 54 FROM US-60 TO JACK HINTON ROAD. Anyone having an interest in this project is urged to attend.

The meeting will begin at 5:00 p.m. local time and end at approximately 7:00 p.m. There will be a formal presentation at 5:30 pm. A handout and comment sheet/questionnaire will be provided. Displays illustrating the design for reconstruction of this road will be available. During the meeting, individuals will have the opportunity to discuss the project with the Department of Highways and American Engineers, Inc. representatives.

Both written and oral statements will be accepted at the meeting. A Court stenographer will be made available for those who desire to make oral statements and a comment sheet will be distributed to make it more convenient to provide written comments. Comments also may be submitted in writing before March 28, 2014 to **John Rudd, Branch Manager Project Development, Department of Highways District 2 Office, 1840 North Main Street, Madisonville, Kentucky 42431-5003.**

Displays and other materials presented at the Public Meeting will be available at the District 2 Office in Madisonville during the same time period. Office Hours for the Department of Highways District 2 Office are Mon.-Fri., 7:00 a.m. to 3:30 p.m. local time. Comments also can be provided at the time of visit.

All oral and written comments will become part of the official meeting record. Once compiled, the meeting record and other supporting documentation will be made available for review and copying only after an Open Records Request has been received and approved. All Open Records Requests must be submitted to the Transportation Cabinet, Office of Legal Affairs, Transportation Office Building, 200 Mero Street, Frankfort, Kentucky 40622.

In compliance with Executive Order 12898, The Kentucky Transportation Cabinet is seeking to engage low-income and minority populations that may be present in the project area. This engagement would facilitate the identification of all potential impacts to these underserved populations and the development of a range of minimization and mitigation measures that would serve to offset potential effects.

In accordance with the Americans with Disabilities Act, if you have a disability for which the Transportation Cabinet needs to provide accommodations, please notify us of your requirements by March 4, 2014. This request does not have to be in writing. Please contact Pam Waggoner at the KYTC District 2 address above or call (270) 824-7080 for info.
